

Directions for Making a Quilting Square for the Northside 75th Anniversary

Step-by-Step Instructions

1. Obtain the Cloth

Either get a 12" x 12" cotton cloth from Sister Indy Wilson or use your own with the same measurements if you want to do it yourself. You can have a predesigned embroidered square with your name on it, this will be available at an additional fee. *

2. Decide on Your Design

You can either embroider the square or print a photo on it. If you choose to embroider, gather your embroidery materials. If you opt to use a photo, send a copy to indyrwilson@yahoo.com.

3. Embroidering Your Square

- Draw your design lightly on the cloth using a fabric pencil.
- Thread your needle with the embroidery thread of your choice.
- Begin stitching along the lines of your design. Use a variety of stitches to add texture and interest.
- Once complete, tie off your thread securely and trim any excess.

5. Final Touches

Inspect your quilting square to ensure that all elements are securely attached and that there are no loose threads or unfinished edges. Iron the square to remove any wrinkles and give it a polished look.

Submission Instructions

Once your quilting square is complete, submit it by May 12 to be included in the Northside 75th Anniversary Quilt. Ensure that your square is clean, pressed, and ready for assembly.
